Bright shirts and pants, dresses, skirts and tops, shoes. These should be short sleeved for Scene 1 and once it gets cold, layer a bright sweater over the outfit. Footwear should be plain and easy to dance in.

## Castle Staff Costume Ideas (Scenes 4, 5, 6)

All black base. Black dresses or black skirt with black top or black shirt with nice black slacks. Some element of white will be provided (apron, large black napkin over arm, etc) and black shoes

### **“In Summer” Costume Ideas (Scene 7)**

All black base. Black dresses or black skirt with black top or black shirt with black pants. This can be different than castle staff – a bit more casual. Layered on top will be Hawaiian shirts, leis, floppy hats, sunglasses, etc. Bare feet or sandals are great choices for footwear.

### **Oaken and Oaken’s Family Costume Ideas (Scene 8)**

All black base. Black dresses or black skirt with black top or black shirt with black pants. This can be different than castle staff – a bit more casual. Layered on top is a crazy ugly Christmas sweater, scarves, hats, etc. Boots are preferred, but still danceable.

## **Pabbie, Bulda and Hidden Folk Costume Ideas (Scene 2, 12)**

Black base with grey top and/or accents of grey, white and black. Pabbie and Bulda may have grey jackets, grey dresses and be a little fancier. Hidden folk can have grey hoodies, grey sweaters, grey shirts, grey/white/black scarves and beanies, etc. Shoes should be neutral and easy to move in.

## **Snow Costume Ideas (Scene 2, 9, 11, 14)**

Black base (must be leggings or tights or pants with black top). Those who would like to wear a skirt will be provided a white long tutu. Those who do not will wear a white button up shirt with black base.
